

Re: 2nd Annual Drew Doughty London Junior Knights Invitational Atom AAA Tournament –
September 21 -24, 2017

Dear Sir/Madam,

My name is Drew Doughty. I currently play defense for the Los Angeles Kings. I have been very fortunate to be a two time Stanley Cup champion and Olympic Gold medalist. These are highlights of my professional career so far, but some of my fondest memories in hockey are from my time playing minor hockey with the London Junior Knights. I remember my Mom and Dad driving me to hockey tournaments throughout Canada and the United States, and the time spent playing with my teammates both on and off the ice. Playing mini sticks at the hotels will remain a memory that I cherish forever. I want your players to have this same experience. Good hockey and great fun!

With this in mind, I am personally inviting your team to the 2nd Annual Drew Doughty London Junior Knights Invitational Atom AAA Tournament being held on September 21st to 24th, 2017, in my hometown of London, Ontario.

Last year's tournament was a great success, with many teams wanting to enter on the spot for this year's tournament. I am enclosing some photos highlighting the event.

This is not a typical hockey tournament. The winning major team is awarded signed Drew Doughty LA Kings' jerseys and the minor team wins a one of a kind signed Drew Doughty cover EA Sports game. The tournament will once again, provide a gift bag for each player; host a banquet on the Friday night (September 22, 2017); run an auction; and a display of my hockey memorabilia.

I am working, once again, with my parents and the London Junior Knights organization to make sure your team will have lots of fun, meet new friends and play some great hockey.

Also of importance to me, is our contribution from last year's event of \$20,000 used to help one of the charities I personally support, the Ronald McDonald House. These funds helped in providing over 14,000 nights of comfort to families in need. The London Junior Knights and I will once again ensure that some of the proceeds go to support this great cause.

The tournament is limited to 32 teams in each the Minor Atom and Atom divisions (Squirt). All teams are guaranteed to play a minimum of 4 games. We are expecting teams, yet again, from all over North America. Spots will fill up quickly, so please sign up by visiting our website at www.londonjuniorknights.com.

Sincerely,

Drew Doughty

COACH'S COMMENT – MIKE VANDERTUIN

"We had an outstanding time at the Drew Doughty Tournament. It was a great way to kick off the season. The tournament was well organized and game times were very appropriate for the age of the players. The highlight for the players, coaches and parents was the banquet. It was a great opportunity to mingle with other players and coaches. Competition was great! We would definitely return again next season."
